Receive FREE expert assistance with completing and filing the  
Free Application for Federal Student Aid (FAFSA).

**Please have available these documents from the list below.**

### Items Needed To Complete The FAFSA

For the student and parent(s):

- ◆ Legal names, social security numbers and dates of birth
- ◆ 2019 Federal Tax Returns (for reference only)
- ◆ 2019 W2 forms
- ◆ Checking, savings, investment amounts & savings plan information
- ◆ Child support paid or received in 2019
- ◆ Create an FSA ID — get a user name and password at [www.fsaid.ed.gov](http://www.fsaid.ed.gov) (see info on back) 

# Creating an FSA ID

The FSA User ID and Password are required to access all secured Federal Student Aid websites (for example: studentaid.ed.gov, fafsa.gov, studentloans.gov, nslds.ed.gov). Each student filing a FAFSA will need an FSA ID. The FSA ID will act as a signature for signing the FAFSA. If the student is dependent (ask A Call to College about the specific Federal Student Aid dependency requirements), one parent will also need an FSA ID.

You should not share your FSA ID with anyone.

Visit <https://fsaid.ed.gov> to create an FSA ID.

Use the forms below to help you remember your FSA ID information.
