You can practice for the WorkKeys assessment by going to:

<https://jobseeker.ohiomeansjobs.monster.com/Assessments/Home.aspx>

Scroll down to Core Practice Assessments. You will see four WorkKeys assessments. Only three are required for C-TEC Enrollment at this time. They are Graphic Literacy (replaced Locating Information), Workplace Documents (replaced Reading for Information), and Applied Math.

- Your test scores will not be saved if you access Learning Express anonymously. If you want your test scores to be saved, please sign in or create an account with [OhioMeansJobs](https://ohiomeansjobs.com) first.

These assessments are **FREE** and you can take them as often as you like to practice.
