Take Action ★ this Spring!

REACH OUT

- To parents, teachers, mentors about your plans after high school. Continue this through graduation and beyond!
- To teachers about writing a letter of recommendation for you in the fall. Use Naviance!

APPLY

- For a summer job and save money for college.
- To be a volunteer or intern to include experience on resume and applications.
- To participate in a summer academic program at your favorite college.

DECIDE

- If you want to re-take the ACT. Typically scores only increase 1-2 points. Deadlines for June ACT is 5/3; July ACT is 6/7.
- Remember the ACT is optional at many colleges, but may be used for scholarships.
- To practice for the ACT using Methodize Test Prep. See the link on the back page.

Take Action ★ this Summer!

EXPLORE

- Colleges online through their websites and with the Big Future website.
- Colleges by doing virtual or in person campus visits. Plan to revisit in the fall when students are there!

DETERMINE

- Your list of 3-5 colleges that are a good fit financially and academically and create a folder for each.
- Watch for **College Application Blitz** in the fall, apply to many colleges for free!
- **Keep track of your colleges' important application and financial aid deadlines!**
