

Newark City Schools Sponsorship Form for Kids' Tech University

(PLEASE ONLY complete and return this form IF you feel financial assistance is necessary.

Otherwise go to The Works in person or call 740-349-9277 to register directly for the full \$100 fee.)

Kids' Tech University (KTU) is an exciting hands on, science-focused program run by The Works in partnership with Denison University and The Ohio State University at Newark. A Call to College is excited to support Kids' Tech by encouraging motivated young Wildcats to attend and participate. Featuring four full Saturdays (January 25, February 8, March 7 and April 11) of science and math discovery, the program is run on a college campus and is open to students ages 9-12. Using this form, families from Newark City Schools can apply for a sponsorship for their student to attend if financial assistance is needed. The cost of the program without sponsorship is \$100. If a student is selected for sponsorship, a parent/guardian will be expected to register in person at The Works and pay \$25 for the 4 session program at the time of registration.
